Dent,
 You're got to be the
 Wildest boy I've been
 thru school with!
 You're a great singer.
 So keep on a-singing
 and you'll make it
 big. Love ya,
 Kenise

Dent,
 Another great year
 is coming to a close
 + because of you
 it's been a great year.
 We've become really
 close this year and
 I hope we will always
 be the best of friends.
 Don't forget all the
 fun times together.
 Especially in choir.
 Love ya lots,
 Kevin

Dent,
 I really
 don't know
 you that well.
 But you are
 a real cute
 + sweet guy.
 We really
 enjoyed having
 choir with you.
 I hope we have
 a lot of our classes
 together next year.
 Good Luck + Best
 Wishes!

Dent,

You're really a sweet guy. I will always
 remember you. Especially all the
 times Davis thought we had something
 going, I will never forget that. And
 he still thinks we have something
 going today. Love ya,
 Angela
 Boston

Dent,
 Another year is over
 and naturally we
 had most of our classes
 together. Even though
 I might kid around
 a lot I wouldn't do it
 unless you were my
 friend. You can't take
 me seriously. I hope
 we have some classes
 together next year
 (as usual).

Love ya,
 Becky Finckum

IN MEMORIUM

The year ends.
Some of its' problems remain unsolved.
There are aspirations that were not achieved,
discoveries that never happened.

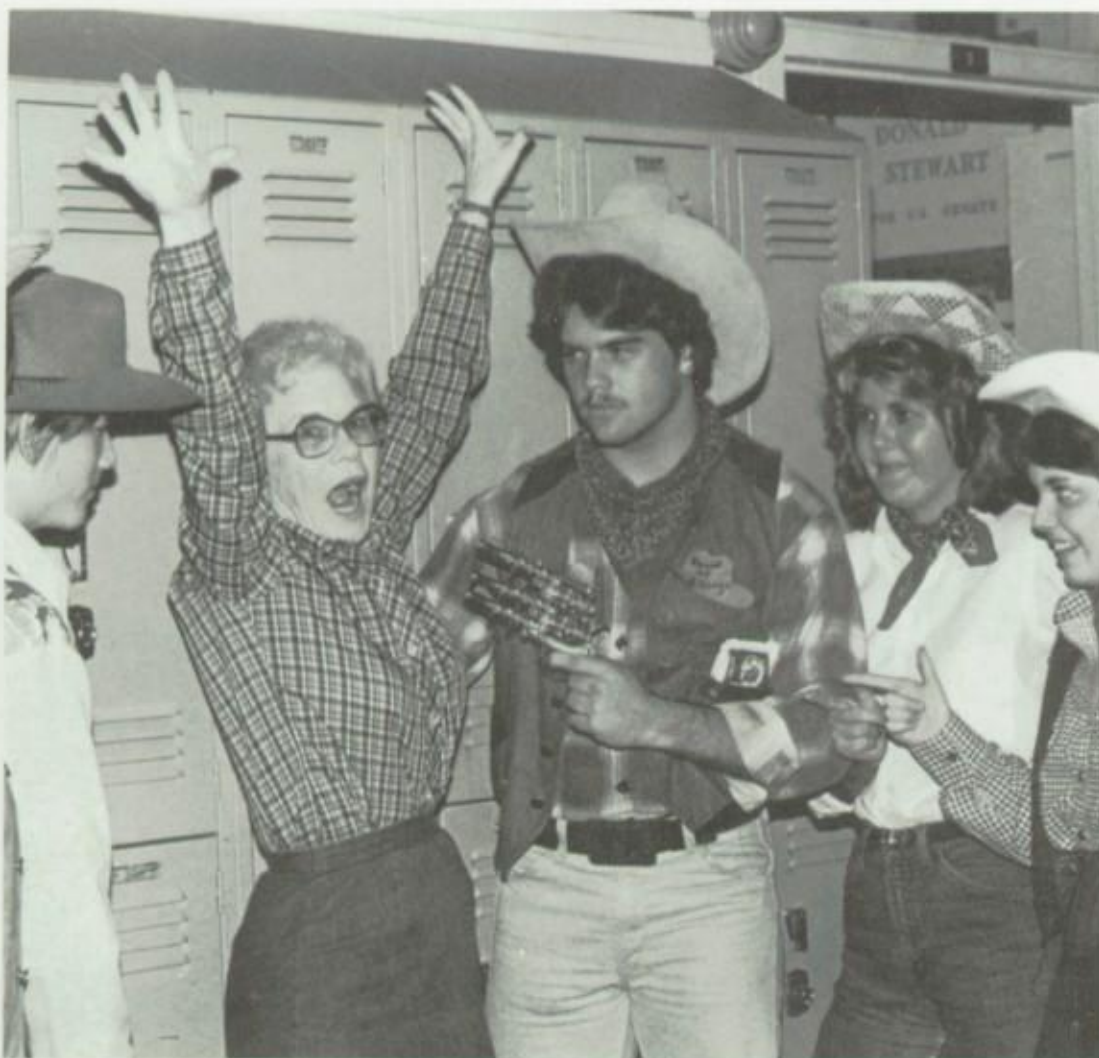

Do not despair.
A new year is coming and with it,
Hope for new encounters
new creations
new happenings.

The new year is God's gift to us.
Dare to dream new dreams,
Dare to search new spaces,
Dare to fly new heights.
Live in Joy: It is
a new Beginning

PERSONALITIES

Dont, it's been a long time since we first met. It's always been great. This past year we've gotten closer than before. You are a really great guy. All the fun we've had before. Especially last year. Mrs. Culotta, Miller, Smilin' Perry, and all those fun times. Remember in the voice when you were just kidding all the time. Remember PIANO PLAYER, that was fun. In was hilarious. Big Florida that was fun. I'm was hilarious. Still be so much fun. Dont, I know we can make our friendship grow. See ya this summer.

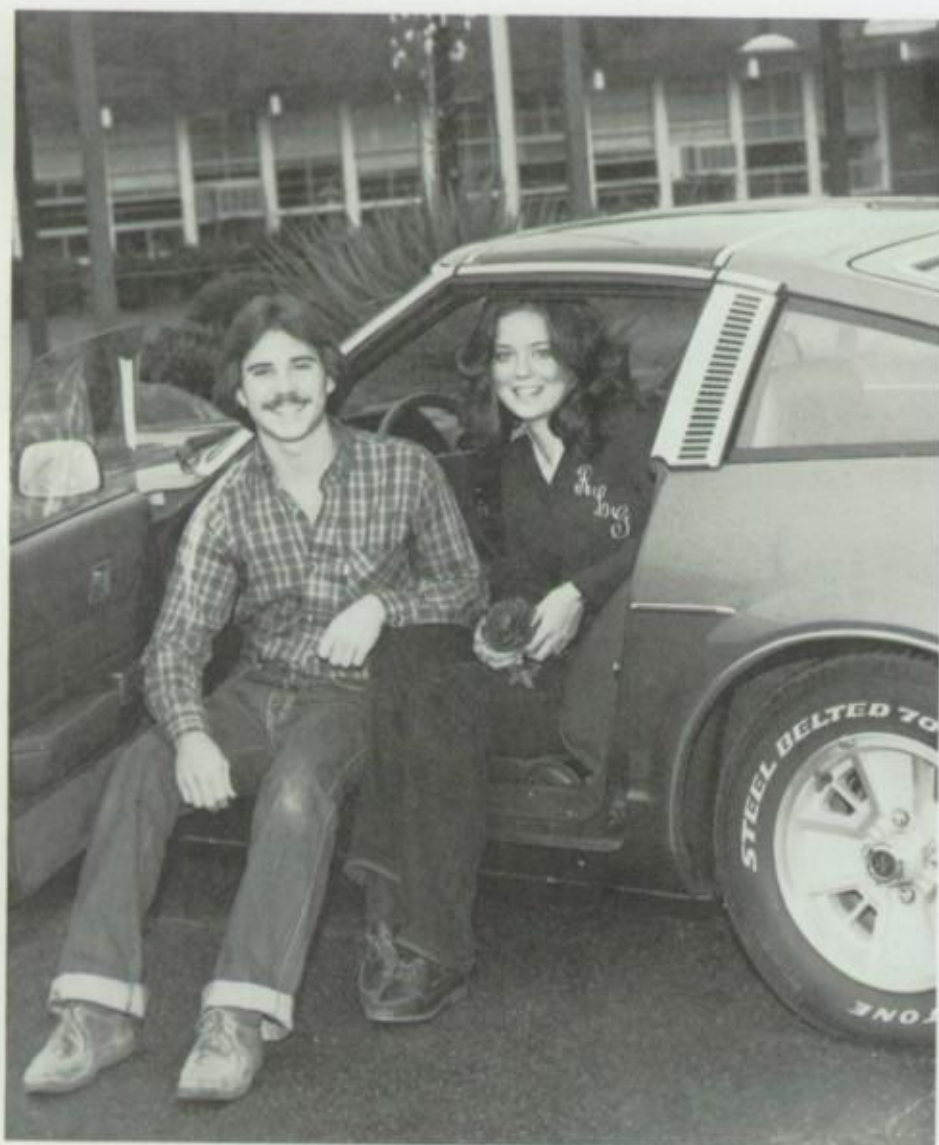

You notice I signed on the PERSONALITY page.

Love ya,
Pam

Jefferson County Board of Education

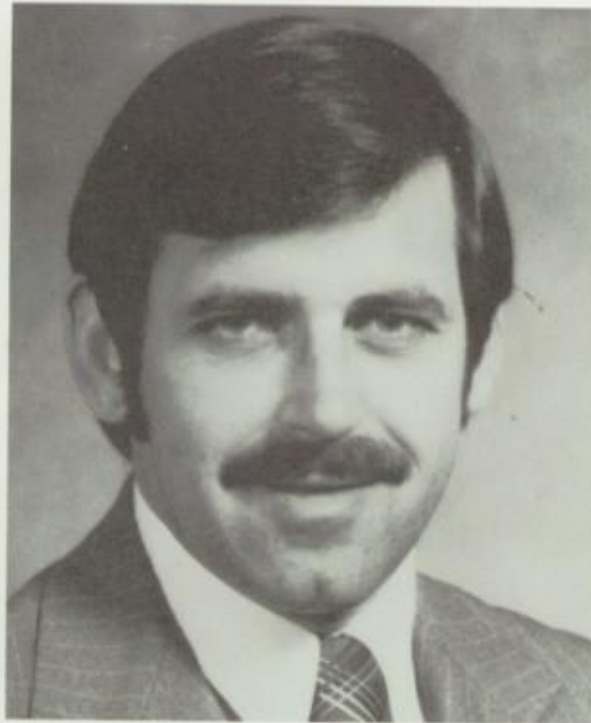

Minor High School is an integral part of the Jefferson County Board of Education, the largest suburban school system in Alabama. The School Board consists of five citizens, elected by popular vote, to serve staggered, six-year terms as the decision and policy-making body.

The Board operates under the committee system to approve educational programs, new construction projects, and employ the necessary personnel to effectively operate the school system. Mrs. Betsy Faucette is chairman of the Administration Committee and Mr. Chester Cowan, Jr. is co-chairman. Mr. Jack E. Brymer, Sr. is chairman of the Support Operations Committee and Mr. Bill Mewbourne is co-chairman. The president of the School Board, Mrs. Robert W. Gwin, serves as ex-officio member of each committee.

Dr. William F. Dodson serves the Board as acting superintendent and secretary, and he is responsible for carrying out the Board's decisions.

IS THERE AN EXTENSIVE VARIETY OF FREEZE DRIED FOODS?

Yes. More than 80 items are available in freeze dried foods. Most popular fruits and vegetables are already on the list and more are regularly added. Also available are beef, ham, pork, chicken, turkey, and eggs.

MUST FREEZE DRIED FOODS BE REFRIGERATED?

No. Freeze dried foods keep best on the shelf. Because they have virtually no water content and are packed in an inert gas, they have an indefinite storage life in their sealed containers.

WHY STORE FREEZE DRIED FOODS?

Freeze dried foods last indefinitely in their sealed cans, so they require no rotation. They also take up less space, can be easily moved, are convenient to prepare, retain garden-fresh flavor and nutritional value, and are available in a variety of items from main courses to dessert.

WHY DO MANY PEOPLE STORE FOOD?

Many people store various amounts of foods as a protection against (1) national disaster, such as depression, riots, and strikes, (2) natural disaster, such as floods, drought, earthquakes and tornadoes, (3) personal disaster, such as job layoffs due to production cutbacks and personal injuries, (4) skyrocketing inflation, which could make the cost of food prohibitive in the future, and (5) food shortages, which could make some foods unavailable at any price in the future.

Don't, you are the best friend a girl could have. I hope that we can always be as close as we are now. I didn't have you as my friend I probably wouldn't be able to make it. We've had a lot of good times together and a lot of rough ones to but we always seem to be able to pull through it. Sometimes your always show up right when I need somebody. I wish you probably can't believe your very good looking, but I'm sure there are lots of girls just waiting to get their hands on you. I wish you the best of luck in the future because you will be many trying to get on your side. May way you are well making it. Always remember that I can keep you safe. May and I'm sure you make it. Always I hope you make it to Broadway, love ya always, Gori

Dear Lump,

I resigned to signing your annual even if you are a sophomore but I suppose you'll grow out of it. (Ha)

I've known you for a long time, boy you make me feel old, you should thank Duwayne for asking me out that first time and becoming my steady because now you get to see me every Sunday, thanks to me you get to see Leigh every Sunday too.

Now for all the crap (just kidding) you are a very caring, understanding person who deserves all the best. You'll make some lucky girl happy someday.

some day.

Rhonda and Duwayne

I Love Ya,
Rhonda Porter.
